### TC mounting socket with saddle

TC mounting socket with saddle for fastening cable ties

# **Product description**

## **Application range**

- Fastening elements for cable ties
- For fastening with screws or rivets
- Typical areas of application: Process control systems, control cabinet manufacturing and mechanical engineering

#### **Benefits**

- · Compact construction ensures high stability
- Prism-shaped saddle of this mounting socket enables torsion-safe fastening and bundling of cables

### Norm references / Approvals

• UL 94 V-2

#### Included

# TC mounting socket with saddle

• Without screws, rivets, etc.

#### **Technical Data**

Colour delivered Material

Temperature range

White Polyamide 6.6 Halogen-free and silicone-free -40°C to +85°C
