

Twin conductors, insulated conductor end sleeve for two strand conductors, halogen-free

Product description

Application range

- Twin conductor end sleeves in the assortment box

Benefits

- Special shape of plastic collar enables simultaneous holding of two strand conductors
- Correct crimping of two conductors in a TWIN conductor end sleeve achieves a proper electrical and mechanical connection

Note

- For processing tools see the keyword index "crimping pliers for conductor end sleeves"

Technical Data

TWIN conductor end sleeves

Info	Halogen-free
Material	Copper/PP
	Surface: tin-plated
Temperature range	Permanent load -5°C up to +105°C, temporary load +120°C
