

MULTICRIMP 6 Crimping tool/pliers for pressing insulated conductor end sleeves with a hexagonal print, made in Germany

## Product description

### Application range

- For pressing insulated and non-insulated conductor end sleeves
- Cross-section range from 0.08 -10 mm<sup>2</sup> with hexagonal pressing

### Benefits

- Improved versions of the predecessors PEW 8.84/MULTICRIMP 6:
  - Expanded capacity
  - Average hand force reduced by approx. 20 % compared to previous model
  - Reduced opening width and improved ergonomics
  - High-precision die geometry leads to a clearly defined crimp shape of the ferrule
- Automatic self-adjustment to requested wire size
- DIN compliant crimping quality due to integral lock (self-releasing mechanism)
- Uniform feed on the crimp die guarantees exact crimping profiles

### Product features

- Made of chromium-plated tool steel
- Made in Germany
