Stripping and dismantling tool for fast connect conductors/cables, removes copper screening braid and outer sheath in one step, time-saving

Product description

Application range

- Strip Fast Connect conductors in one step by using the dual-level stripping tool
- Suitable for outer diameters from 2.5 to 8.0 mm

Benefits

- Fast: ready-to-connect stripping - outer sheath and copper screening braid are stripped in one simple step
- Safe: no cable damage
- Adjusting screws enable the tool to be adjusted for all Fast Connect cables
