

Stripping tool for specific applications e.g. for solar industry, PTFE cables, made in Germany, interchangeable knives

Product description

Application range

- Universal stripping pliers with interchangeable stripping blades for cross-sections of 0.03 to 16 mm²
- Suitable for fluoropolymer & PVC cores, AS-I, Solar, POF cables

Benefits

- Special pliers for high-quality, damage-free stripping of sheath and insulation from all single wires and possibly multi-wire cables from 0.03 to 16 mm²
- For use with a great variety of insulation with differing hardness and dimension
- Interchangeable blades for different cable cross sections

Product Make-up

- Additional blades are available upon request
- No crushing/deformation of cable ends

Product features

- Design: chrome-plated with plastic handle cover
- Interchangeable blades for different cable cross sections

Included

- Tool and length stop
