RJ45 field mountable Industrial Ethernet connector, IP20; qualified for 10 Gbit data transmission, acc. to TIA568 A; with metal housing, for industrial environment

- CAT.6A qualified for 10Gbit/s
- installation without tools
- 4 different angled cable outlets possible

Product description

Norm references / Approvals

- Field assembly Industrial Ethernet connector, RJ45 according to IEC 60603-7-51

Product features

- cable outlet in 4 different 90° angles possible
- Qualified for 10 Gigabit Ethernet
- Housing: zinc die-casting, grey
- suitable for stranded cores with AWG27/7 -22/7 and for solid conductors with AWG24/1- 22/1
- Suitable for use in industrial applications
- available with colour code T568A or T568B

Technical Data

Protection rating   IP 20
Ambient temperature (operation)   -40°C to +85°C
