

RJ45 field mountable Industrial Ethernet connector, IP20; qualified for 100Mbit data transmission, for PROFINET-applications; with metal housing

- For PROFINET applications
- installation without tools
- 4 different angled cable outlets possible

Product description

Norm references / Approvals

- Field assembly Industrial Ethernet connector, RJ45 according to IEC 60603-7-51

Product features

- For PROFINET applications
- cable outlet in 4 different 90° angles possible
- Housing: zinc die-casting, grey
- suitable for stranded cores with AWG27/7 -22/7 and for solid conductors with AWG24/1- 22/1
- Suitable for use in industrial applications
- Colour-coded in accordance with PROFINET for Cat.5 applications

Technical Data

Protection rating	IP 20
Ambient temperature (operation)	-40°C to +85°C
