

Industrial Ethernet EtherCat, Patchcord M8, A-code, straight or angled on free conductor end, PVC; Cat.5 2pair

- For EtherCAT applications

Product description

Application range

- Suitable for use in industrial applications
- For indoor use
- especially for EtherCat applications

Benefits

- Non-permanent connections allow for easy change of equipment
- For directly connecting two electric components
- Flexible use

Product Make-up

- Stranded conductor, 7-wire, 2x2xAWG26/7
- Overall screening with copper braid and plastic-laminated aluminium foil
- Pre-assembled patchcord with a M8 connector on free conductor end

- Colour: green (based on RAL 6018)

Technical Data

Minimum bending radius

Fixed installation: 4 x outer diameter

Flexing: 8 x outer diameter

Temperature range

Fixed installation: -30°C to +80°C

Flexing: -5°C to +50°C

Characteristic impedance

100 Ohm +- 15%
