

## Product description

### Norm references / Approvals

- Field assembly Industrial Ethernet module RJ45 according to IEC 60603-7-51

### Product features

- Plastic housing including Easy Connect RJ45 Modul Cat.6A 10G
- Suitable for use in industrial applications
- integrated strain relief for cable O.D. to 9 mm
- Colour: light grey (RAL 7035)
- Suitable for stranded cores with AWG27/7 -22/7 and for solid conductors with AWG26/1- 22/1

## Technical Data

Protection rating  
Ambient temperature (operation)

IP 20  
-40°C to +70°C
