S/A M12 control cabinet feed-through

Sensor/actuator control cabinet feed through with bipolar/screw mounting (A-coded, B-coded, D-coded)

Product description

Application range

- Automation technology
- · Mechanical engineering
- Plant engineering
- Tool shop
- Automotive industry

Benefits

- Flexible connection solutions
- Simple installation in devices (e.g. cabinet)
- · Standardised interfaces

Product features

- Screened version
- · Bipolar/screw mounting

S/A M12 control cabinet feed-through

- For CANopen/DeviceNet applications (A-coded)
- For PROFIBUS applications (B-inverse coded)
- For PROFINET applications (D-coded)

Technical Data

Contact surface material Contact material Protection rating Ambient temperature (operation) Au (gold) CuZn (brass) IP67 Plug/socket -25°C to +85°C
