

Field mountable M12 connectors with stainless steel knurl for connection of sensors and actuators with individual cable lengths in the Food&Beverage industry

## Product description

### Application range

- Food and beverage industry
- Mechanical engineering
- Automation technology
- Plant engineering

### Benefits

- Stainless steel knurl to ensure protection against corrosion
- Quick and easy on-site assembly
- Creating individual cable lengths
- Standardised interfaces

### Product features

- 4-pin connector

- Stainless steel knurl (V4A)
- Screw termination
- Free of paint-wetting impairment substances

### Technical Data

Coding	A-Standard
Contact surface material	Au (gold)
Contact material	CuZn (brass)
Knurl material	Stainless steel
Protection rating	IP67
Ambient temperature (operation)	Plug/socket -40°C to +85°C
