

These connectors are attractive because of their compact housing.

Small and compact, for applications with high number of contacts

- Compact, robust metal housings size H-A 16

Product description

Application range

- Machine and equipment manufacturing
- Control engineering
- Electronic laboratory

Benefits

- Small and compact, for applications with high number of contacts

Product features

- Hood, low version
- Bolts for single lever
- Side cable entry
- Versions with neck

Technical Data

Material

Housing: powder-coated aluminium alloy, grey

Sealing: NBR

Protection rating

IP 65 (latched)

Temperature range

-40°C to +100°C, short-term up to +125°C
