EPIC® H-A 3 MTGVB

Innovative metal and plastic housing design

Housing in plastic or metal version. For power supply in the smallest possible space

• Compact, robust metal housings size H-A 3

Product description

Application range

- Machine and equipment manufacturing
- Control engineering
- Electronic laboratory

Benefits

• Housing in plastic or metal version. For power supply in the smallest possible space

Product features

- Cable coupler hood
- 1 lever
- Straight cable entry
- Versions with / without cable gland

Technical Data

Material
