

Housing design H-B. The industry standard.

The smallest housing with single and double lever. The right housing is available for every application

- Universal, robust metal housings size H-B 10

Product description

Application range

- Plant engineering
- Light & sound technology
- Plastics industry

Benefits

- The smallest housing with single and double lever. The right housing is available for every application

Product features

- Surface-mount base, low version
- Bolts for double lever
- 2 cable entries
- Metal cover

Technical Data

Material

Housing: powder-coated aluminium alloy, grey

Lever: zinc-plated steel

Sealing: NBR

Protection rating

IP 65 (latched)

Temperature range

-40°C to +100°C, short-term up to +125°C
