

Housing design H-B for 2 inserts.

The large, robust housing for two inserts in one connector. Power and data in a single connector

Product description

Application range

- Plant engineering
- Plastics industry

Benefits

- The large, robust housing for two inserts in one connector. Power and data in a single connector

Product features

- Panel-mount base
- Single lever
- Included: flat gasket

Technical Data

Material

Housing: powder-coated aluminium alloy, grey
Lever: zinc-plated steel

EPIC® H-B 48 AG-LB

Protection rating
Temperature range

Sealing: NBR
IP 65 (latched)
-40°C to +100°C, short-term up to +125°C
