

Housing design H-B for 2 inserts.

The large, robust housing for two inserts in one connector. Power and data in a single connector

Product description

Application range

- Plant engineering
- Plastics industry

Benefits

- The large, robust housing for two inserts in one connector. Power and data in a single connector

Product features

- Surface-mount base
- Single lever
- 1 cable entry
- Plastic cover

Technical Data

Material

Housing: powder-coated aluminium alloy, grey

EPIC® H-B 48 SDR-LB

Protection rating
Temperature range

Lever: zinc-plated steel
Sealing: NBR
IP 65 (latched)
-40°C to +100°C, short-term up to +125°C
