

## Housing design H-B for 2 inserts.

The large, robust housing for two inserts in one connector. Power and data in a single connector

## Product description

### Application range

- Plant engineering
- Plastics industry

### Benefits

- The large, robust housing for two inserts in one connector. Power and data in a single connector

### Product features

- Surface-mount base
- Single lever
- 2 cable entries
- Plastic cover

## Technical Data

Material

Housing: powder-coated aluminium alloy, grey

## EPIC® H-B 48 SDRL-LB

Protection rating  
Temperature range

Lever: zinc-plated steel  
Sealing: NBR  
IP 65 (latched)  
-40°C to +100°C, short-term up to +125°C
