

Housing design H-B for 2 inserts.

The large, robust housing for two inserts in one connector. Power and data in a single connector

Product description

Application range

- Plant engineering
- Plastics industry

Benefits

- The large, robust housing for two inserts in one connector. Power and data in a single connector

Product features

- Hood
- Bolts for single lever
- Straight cable entry
- Versions with / without neck

Technical Data

Material

Housing: aluminium alloy, grey

Protection rating
Temperature range

Lever: zinc-plated steel
Sealing: NBR
IP 65 (latched)
-40°C to +100°C, short-term up to +125°C
