EPIC® H-D 25 machined

H-D inserts for stamped and machined crimp contacts

Inserts of the connector series H-D are designed for applications in which a high number of contacts are required.

Product description

Application range

- Machine and equipment manufacturing
- Control engineering

Benefits

• Inserts of the connector series H-D are designed for applications in which a high number of contacts are required.

Technical Data

Rated voltage (V)

Rated impulse voltage

IEC: 250 V UL: 250 V 2.5 kV
