

The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.

The mix of different functions in one plug guarantees high flexibility; Assembly of individual connectors, suitable for different applications

• Power and signal modules can be used together in one housing

## **Product description**

## **Application range**

- · Plant engineering
- Printing machines
- Control engineering

#### **Benefits**

- The mix of different functions in one plug guarantees high flexibility
- · Assembly of individual connectors, suitable for different applications

### **Technical Data**

# **EPIC® MC Module: 20pole**

Rated voltage (V) Rated current (A)

Contacts

Number of contacts Termination methods

Cycle of mechanical operation

Temperature range Degree of soiling

100 V 4:00 AM

Copper alloy, gold-plated

20

Crimp termination: 0.08 - 0.56 mm<sup>2</sup>
