

The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.

The mix of different functions in one plug guarantees high flexibility; Assembly of individual connectors, suitable for different applications

- Power and signal modules can be used together in one housing

Product description

Application range

- Plant engineering
- Printing machines
- Control engineering

Benefits

- The mix of different functions in one plug guarantees high flexibility
- Assembly of individual connectors, suitable for different applications

Technical Data

EPIC® MC Module: High Voltage 3pole

Rated voltage (V)	1000 V
Rated current (A)	50 A
Contact resistance	< 2 mOhm
Contacts	Copper alloy, hard silver-plated
Number of contacts	3
Termination methods	Crimp termination: 1.5 - 10.0 mm²
Cycle of mechanical operation	100
Temperature range	-40°C to +100°C, short-term up to +125°C
Degree of soiling	3
