

**The proven STA inserts for screw termination and solder termination.**

STA inserts - proven by the strong contact springs; The proven STA inserts for screw termination and solder termination.

## Product description

### Application range

- Control systems
- Rack technology
- Electronic laboratory

### Benefits

- STA inserts - proven by the strong contact springs.
- The proven STA inserts for screw termination and solder termination.

## Technical Data

Rated voltage (V)

IEC: 24 V AC, 60 V DC

## EPIC® STA 6 Screw termination

---
