

FLEXIMARK® MINI/MAXI FCC- customized marking made of plastic for assembly with character holders and cable ties

Product description

Application range

- For Cable Marking
- Markers will be delivered with the desired text (printing service is included in the price)

Benefits

- Customised plastic cable labelling
- Markers are sorted prior to delivery
- No time-consuming preparation and installation
- Good UV-resistance
- Diverse criteria as ageing resistance and chemical resistance are tested by the independent SP Technical Research Institute of Sweden according to SP 2171 Test Method (see selection table A15)

Note

- Ordering process: Customised data will be emailed as an Excel file to the responsible Lapp employee when

the order is made

- Column A: Text for the first row
- Column B: Text for the second row
- Column B or C: Amount of each text

Product features

- One or two-line printing possible
- Text is automatically centered if not explicitly asked for another text alignment
- Holder for up to 46 characters

Included

- Markers (including cable ties) are pre-assembled prior to delivery
- Marking consists of FLEXIMARK® character holder PTEF printed FLEXIMARK® Flexilabel LFL (yellow) and two standard cable ties in PA 6.6 (black)
