

FLEXIMARK® SHRINK MARK FCC-customized shrinking tubes for cable marking particular for the railway industry. Good UV-resistance.

- Shrink Mark FK 12,7 RD 5-7 contained in FLEXIMARK® sample bag (article number M3251010)

Product description

Application range

- For Cable Marking
- For applications where space is tight
- Protection of the cable insulation
- Railway applications

Benefits

- Personalised printing of the shrinking tube segments according to customer specifications
- Markers are sorted prior to delivery
- Good UV-resistance
- Flame retardant according to ASTM D635-HB

Design

- Ordering process: Customised data will be emailed as an Excel file to the responsible Lapp employee when the order is made
 - Column A: Text for the first row
 - Column B: Text for the second row
 - Column B or C: Amount of each text

Product features

- One or two-line printing possible
- Text is automatically centered if not explicitly asked for another text alignment

Technical Data

Colour delivered	Black The following colours are available upon request: blue, red, yellow, white, transparent
Material	Polyolefin
Shrinking ratio	2:01
Temperature range	-55°C to +125°C
