

FLEXIMARK® Flexilabel TFL are blank label roils for marking cables with character holders. Text can be printed on the labels with our marking software and a thermal transfer printer.

Product description

Application range

- For Cable Marking
- Can be printed with the FLEXIMARK® thermal transfer printer as CAB A4+M and EOS4
- Printing with FLEXIMARK® Software (Download:
<http://www.lappkabel.com/service/downloadcenter/markingsystem/markings-software.html>)

Benefits

- Suitable labels for PTE, PTEF and CAB character holders (see chapter "Character holders and accessories")
- Resistant to chemicals, UV-radiation, moisture and some oils
- Diverse criteria as ageing resistance and chemical resistance are tested by the independent SP Technical Research Institute of Sweden according to SP 2171 Test Method (see selection table A15)

Note

-
- Not recommended to use in environments with diesel oil and alkali
