PerTronic
Intelligent Cable Solution

Closed marking rings with pre-printed characters and numbers for marking wires/single cores before assembly, flame-retardant according to UL 94 V0

Product description

Application range

- For Single core marking
- Marking before assembly
- These closed collars are intended for cables that are not connected yet

Benefits

- Closed marking rings with pre-printed number or character
- Anti-rotation protection
- Due to its special profile with spring effects, the 4 different sizes can cover a range of cross-sections from 0.2 to 70 mm²
- Resistant to UV radiation, corresponding to 1 year outdoor in the south of Sweden

Product features

- Extremely flame-retardant according to UL 94 V0
