

Protection against mechanical stress; Protects against liquids; Bendable; Highly oil and acid-resistant; UL: pending

Product description

Application range

- Mechanical engineering
- Robot-building
- Vending machine construction
- Exporters

Benefits

- Protection against mechanical stress
- Protects against liquids
- Bendable
- Highly oil and acid-resistant
- UL: pending

Product Make-up

- PVC inner conduit
- Nylon braiding

-
- Plastic outer sheath

Technical Data

Colour delivered	Orange
Material	PVC compound with nylon fabric
Temperature range	-20°C to +60°C
	CSA: -18°C to +75°C
	Short-term: up to +80°C
