

The protection rating increases to IP67 if HIPROSILTAPE is also used; Oil-resistant; Heat-resistant

- Outstanding protection for extreme impact of heat

## Product description

### Benefits

- The protection rating increases to IP67 if HIPROSILTAPE is also used
- Oil-resistant
- Heat-resistant

## Technical Data

Colour delivered	red
Material	Silicone-rubber compound, self-vulcanising, halogen-free
Temperature range	-55 °C to +260 °C
