

High tensile strength; Vibration protection; Enhanced sealing

Product description

Application range

- In combination with protective conduit
- SILVYN® LCC-2 / LCCH-2
- Applications with high mechanical stress
- Used in areas where liquids are present

Benefits

- High tensile strength
- Vibration protection
- Enhanced sealing

Product Make-up

- Metric connection thread
- Hexagonal collar
- Threaded sleeve
- Cap nut

Technical Data

Norm references / Approvals

IEC EN 61386-23

Material

Body: nickel-plated brass

Seal: PA compression seal

Protection rating

IP 65

Temperature range

-50°C to +135°C
