

90° elbow allows easy installation; High tensile strength; Vibration protection; Enhanced sealing

## Product description

### Application range

- In combination with protective conduit
- SILVYN® LCC-2 / LCCH-2
- Applications with high mechanical stress
- Used in areas where liquids are present

### Benefits

- 90° elbow allows easy installation
- High tensile strength
- Vibration protection
- Enhanced sealing

### Product Make-up

- Metric connection thread
- 90° hexagonal collar
- Threaded sleeve

- Cap nut

## Technical Data
