

Corrosion-resistant; For rotating applications; High tensile strength; Space-saving

Product description

Application range

- In combination with protective conduit:
- SILVYN® SSUE
- Offshore applications
- Outdoors
- Applications with high mechanical stress

Benefits

- Corrosion-resistant
- For rotating applications
- High tensile strength
- Space-saving

Product Make-up

- Metric connection thread

- Hexagonal collar with torsion element
- Cap nut

Product features

- Stainless steel AISI 316

Technical Data

Approvals

IEC EN 61386-23

Material

Stainless steel AISI 316

Protection rating

IP 40

Temperature range

-100°C to +400°C
