

90° elbow allows easy installation; Fast assembly; High-tensile; Sealing; Vibration protection

Product description

Application range

- In combination with protective conduit:
- SILVYN® FPAS
- Applications with strong vibrations
- For applications with limited space

Benefits

- 90° elbow allows easy installation
- Fast assembly
- High-tensile
- Sealing
- Vibration protection

Product Make-up

- Metric connection thread
- 90° elbow

- Body
- Upper part with integrated all-round toothing

Norm references / Approvals

- UL FILENUMBER E308201

Product features

- In black colour UV-resistant and weather-proofed
- Removeable with a screwdriver

Technical Data

Approvals	IEC EN 61386-23
On request	With 45° elbow
Colour delivered	Grey (RAL 7031)
	Black (RAL 9005), UV-resistant
Material	PA66
	Halogen-free
Protection rating	IP66
Temperature range	-50°C to +135°C
