

Fast assembly; Easy to disassemble; High tensile strength; Conduit retained by rib

Product description

Application range

- In combination with protective conduit
- SILVYN® HCC
- Fastening of conduits on machine walls for all applications

Benefits

- Fast assembly
- Easy to disassemble
- High tensile strength
- Conduit retained by rib

Product Make-up

- Multi-part conduit holder with M5 borehole for fixation
- Cover with connection snap system

Note

- UV-resistant and weather-resistant

Technical Data

Colour delivered	Black (RAL 9005), UV-resistant
Material	PA6
Temperature range	-30°C to +70°C
