

Easy assembly of cables and wires; Bendable; Crush-resistant; A fully insulated system when used in combination with SILVYN® MPC/MPC-M

Product description

Application range

- Mechanical engineering
- Vehicle construction
- Vending machine construction
- Exporters

Benefits

- Easy assembly of cables and wires
- Bendable
- Crush-resistant
- A fully insulated system when used in combination with SILVYN® MPC/MPC-M

Product Make-up

- Integrated hard PVC spiral
- Soft PVC outer sheath

Norm references / Approvals

- UL FILENUMBER E308201

Product features

- Flexible
- Smooth inner wall
- Dimensionally stable
