

Heat-resistant; Easy assembly of cables and wires; Bendable; Crush-resistant; A fully insulated system when used in combination with SILVYN® MPC/MPC-M

Product description

Application range

- Mechanical engineering
- Machine tools
- Vending machine construction
- Applications with higher temperatures

Benefits

- Heat-resistant
- Easy assembly of cables and wires
- Bendable
- Crush-resistant
- A fully insulated system when used in combination with SILVYN® MPC/MPC-M

Product Make-up

- Integrated hard PVC spiral

- Modified soft PVC sheath

Norm references / Approvals

- UL FILENUMBER E308201

Product features

- Heat-resistant
- Flexible
- Smooth inner wall
- Dimensionally stable

Technical Data

Approvals

Colour delivered

Material

Temperature range

IEC EN 61386-23

Blue (RAL 5012)

Special soft PVC sheath with hard PVC spiral

-20°C to +90°C
