

Ensures the tensile strength; Clamps various conduit sizes with one clamp

Product description

Application range

- In combination with:
- SILVYN® SSV-M/SSVZ-M
- SILVYN® SSV/SSV-Z

Benefits

- Ensures the tensile strength
- Clamps various conduit sizes with one clamp

Product Make-up

- Galvanized steel ring
- Worm gear drive

Product features

- Variable range of clamping force

Technical Data

Material

Steel, galvanized
