

For closing pre-threaded holes; Assembling with screwdriver

CE

RoHS ✓

Product description

Application range

- Machine and equipment manufacturing
- Electric motor manufacturing

Benefits

- For closing pre-threaded holes
- Assembling with screwdriver

Product Make-up

- Metric connection thread acc. to EN 50262

Technical Data

On request

Fitted with FKM O-ring

SKINDICHT® BL-M

Classification	ETIM 5.0 Class-ID: EC000032
Material	ETIM 5.0 Class-Description: plug for cable screw gland Body: nickel-plated brass Sea water-resistant
Protection rating	IP 54 IP 68 (with O-Ring)
Temperature range	With O-ring: -30°C to +100°C Without O-ring: -60°C to +200°C
