

For closing pre-threaded holes; Assembling with screwdriver

Product description

Application range

- Machine and equipment manufacturing
- Electric motor manufacturing

Benefits

- For closing pre-threaded holes
- Assembling with screwdriver

Product Make-up

- PG connection thread

Technical Data

Classification

ETIM 5.0 Class-ID: EC000032

Material

ETIM 5.0 Class-Description: plug for cable screw gland

Body: nickel-plated brass

O-ring: NBR

Protection rating

IP 54

IP 68 - 5 bar (with O-Ring)
