

Sealed by incised sealing ring; Corrosion-resistant; Easy to install; Completely safe cable entry; Low overall height

Product description

Application range

- For high mechanical stress
- When no connection thread is provided

Benefits

- Sealed by incised sealing ring
- Corrosion-resistant
- Easy to install
- Completely safe cable entry
- Low overall height

Product Make-up

- PG 16 - 21 with 2 screw holes
PG 29 - 36 with 4 screw holes

Note

- For combination with other SKINDICHT® or SKINTOP® cable glands, we propose our SKINDICHT® SE without incised sealing ring and compression screw

Technical Data

Classification	ETIM 5.0 Class-ID: EC000441
Material	ETIM 5.0 Class-Description: cable screw gland Body: zinc die-casting, grey, hammer tone finish Incised sealing ring: CR O-ring: NBR Compression screw: nickel-plated brass
Protection rating	IP 55
Temperature range	-20°C to +80°C
