

High mechanical stability; Lateral sealing lips fit automatically around various cable dimensions; Optimum strain relief; Large opening allows clamping of up to two flat cables

Product description

Application range

- For inserting flat cables.
- Conveyor systems
- Pumps
- Lifts
- Control cabinet manufacturing

Benefits

- High mechanical stability
- Lateral sealing lips fit automatically around various cable dimensions
- Optimum strain relief
- Large opening allows clamping of up to two flat cables

Product Make-up

- PG connection thread

Note

- For suitable flat cables, refer to ÖLFLEX® LIFT F for indoor applications or ÖLFLEX® CRANE F for outdoor applications
- Counter nut to be used: SKINDICHT® SM
