

Description: RSK one-piece screen connector_

Lapp code: Lapp 61721360

The **Test voltage** of the cable Lapp 61721360 is /.

Application range

- One-part screen connector allows screened cables to be connected quickly and permanently

Product Make-up

- To process, insert the connector into the tool, then insert and crimp the screen cable and leads or the earthing clamp.
- When crimped, the connector assumes a round shape and both ends are pushed above each other.
- When inserting the screened cable to a connector, ensure that the cable insulation overlaps with the connector's MYLAR® insulation.
- Inside the connector, there is a suspended cover plate for the leads and an insertion for the screened cable.
